FREQUENTLY ASKED QUESTIONS

What are GCA's school hours on a typical school day?

Lower Academy: 8:15 am - 2:45 pm
Upper Academy: 8:00 am - 2:45 pm

Should our family tour before applying?

Yes. A personal tour is the best way to experience GCA, ask questions, and determine whether our school may be the right fit for your family.

What documents are required with an application?

Families should be prepared to provide a birth certificate, immunization records, recent report cards or school records, a pastor recommendation, a teacher recommendation, and transcripts for completed high-school coursework when applicable.

Does submitting an application guarantee admission?

No. Admission is based on a completed application, supporting records, assessment results, the family interview, available space, and GCA's ability to meet the student's needs. Acceptance of one sibling does not guarantee acceptance of another.

What happens if my child's grade is full?

Qualified applicants to a full grade may be considered for GCA's wait pool. Families will be contacted if an appropriate opening becomes available.

How does EdChoice work?

After a student is accepted, GCA's scholarship team helps the family complete the state scholarship process. Award amounts vary according to current Ohio guidelines and household income.

Who can help me with admissions questions?

The Admissions Office is happy to guide you. Call 740-965-5433 or email gca@genoachristianacademy.org.
