

Ohio EdChoice Frequently Asked Questions

How will I know when my application has been processed and accepted?

The State of Ohio will notify families when applications are approved. This message will also contain information about your scholarship.

Do I need to do anything else after my application has been accepted?

Upon notification of approval from the State of Ohio, you will receive an acceptance form that must be completed and returned to GenoaChristian Academy. GCA will notify you if there are changes to this process.

How do I renew my EdChoice Scholarship?

The Edchoice Scholarship must be renewed each year by the school family. To renew your EdChoice Scholarship for the 2026-2027 school year, please complete the following form and submit to scholarships@genoachristianacademy.org:

2026-2027 EdChoice Renewal Form

Please note, income verification is only completed during the INITIAL EdChoice application and is not required for renewal. Proof of residency is still required. See the form for more details.

Will my family still owe an out-of-pocket tuition balance?

Ohio EdChoice qualified families at or below 200% of the FPL guidelines qualify for low-income status. The law states that low-income families are not required to cover any remaining tuition balance. Those above 200% can be billed for the remaining tuition balance after the scholarship is applied to your account. All families, regardless of income status and scholarship eligibility, are responsible for all fees. Families may apply for additional financial assistance through the SGO scholarship and may ask about other financial assistance through emailing scholarships@genoachristianacademy.org.
